

# WOOD AND FIBER SCIENCE

JOURNAL OF THE SOCIETY OF WOOD SCIENCE AND TECHNOLOGY

VOLUME 51

OCTOBER 2019

NUMBER 4

## EDITOR'S NOTE

Another year of *Wood and Fiber Science* comes to a close and I want to thank all the reviewers and authors for their contributions. This year *Wood and Fiber Science* published more than 40 articles in our quarterly issues. This year we also implemented an immediate Open Access option for payment. As of January 1, 2019, authors could choose to either pay for page charges or pay an open access fee. If the author chooses page charges, the article is not open access until 5 yr after publication. If open access fee is paid, it is immediately open access. Page charge options for members are \$75 per page, nonmembers are \$150 per page, and open access option is a \$1500 flat fee.

I would also like to thank our second associate editor, Rupert Wimmer, from the University of Natural Resources and Life Sciences in Vienna, Austria, for his work. Rupert is now stepping down because he is assuming the role of vice president of SWST. Our collective goal is to ensure quality peer review and timely publication of your manuscripts. Customer service is our focus, so if you have any questions or problems, please contact us. Our email addresses are listed below our names.

We also want to thank the numerous reviewers for Volume 51 in 2019. My apologies to anyone I may miss mentioning. Your dedication insures the quality of our journal.
